Mr. John K. King

STATOTHR

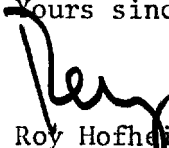

Dear Mr. King,

I have discovered the title of yet another in the excellent map series on Communist China. Since it falls into my area of research I presume to request a copy.

The publication is COMMUNIST CHINA: PROVINCIAL MAPS, dated January, 1970. Could you possibly consider putting me on the mailing list for such publications on basic and geographic intelligence when they appear?

Thank you for your consideration.

Yours sincerely,

Roy Hofheinz, Jr.
Acting Associate Director
Professor of Government
